2. Plans for summer BBQ/Sports Day Friday 7th June @ 2pm

We looked at the running order of last year's sports day, AB commented how lovely the atmosphere was. MW went through the costs of last year and it was agreed that we would keep the same, successful format. NT asked if we could cut down the number of races and have a second hand uniform sale. AB thanked Chef Mandy for cleaning the BBQ. A 2pm start was confirmed - could all helpers be ready to set up from 1pm onwards please. It will be all hands to the deck with helpers coordinating and putting out their own stall and packing it away. NT asked if an email could go out to all parents asking for raffle prizes. A MUFTY day will be on Friday 24th May for donations for the bottle and sweet stall.

MW to organise the alcohol licence.

KT will be asked to use her great poster from last year - changing the date if this is possible.

Helpers confirmed as follows:
