

Abbot Alphege School Development Plan 2021 - 22

Summary for parents, carers and our community

We will provide excellent education for all children in our academy by:

- Strengthening and securing high-quality teaching in every class, every lesson, every day;
- Continuing to improve outcomes for all children in reading, writing and maths;
- Further improving our assessment processes;
- Supporting our learners with additional needs to make great progress;
- Giving additional support to our disadvantaged learners through tutoring.

We will maintain the high standard of behaviour and conduct in our academy by:

- Making sure all of our staff have great training opportunities, to support our children well with their behaviour choices;
- Strengthening our approach to attendance – children can only learn and develop in school if their attendance is high.

We will develop the leadership and management of our academy by:

- Continuing to develop and strengthen our curriculum offer, and making sure we communicate this to our community effectively on our website;
- Giving all of our subject leaders (all teachers) a clear expectation for their work, the time in which to do it well and a chance to network with other subject leaders across our Trust.

We will ensure excellent personal development for our children by:

- Having a specific focus on equalities, making sure that all of our children understand their rights and responsibilities towards others, and have an equal opportunity to participate and excel in all things;
- Making sure that all of our children are given the opportunity to participate in student voice and student leadership by the time they are in upper Key Stage 2.

We will develop excellent community, partnership, church and diocesan partnerships by:

- Strengthening our links with our community, including our local church, in a variety of different ways;
- Involving our parents as much as we can in the life of our school, through providing events and activities, and working with our PTA to do this.

'Together we love, we learn and we grow'

'Your word is a lamp for my feet and a light on my path' Psalm 119:105
